This newsletter is being provided to help keep you informed of the progress of the Blondo Street Reconstruction Project from 123rd Street to 135th Street.

Please see our website for additional information at www.hgmonline.com/blondo or contact *HGM Associates Inc.* at 690-BLON (2566).

Thank you.

Project Status

Completed Work

- Paving 24' wide west bound lanes of Blondo Street from 123rd Street to just east of 132nd Street (Phase III)
- Paving 24' west and east bound lanes from 132nd Street to the west end of the project west of 135th Street
- Paving of the 135th Street connection to Blondo
- Temporary connection between new Blondo Street (north lanes) and new 132nd Street (west lanes)
- Completed the driveway to St. Michael Lutheran Church from 132nd Street

Work in Progress (Closed down for the Winter)

- Construction Zone Speed Limit **35 MPH** - Please Drive Safely

Work Schedule (Construction to resume in April as weather permits)

- Reopening of Decatur Street to make a temporary connection to the new Blondo Street. (north lanes)
- Grading and utility relocations on east side of 132nd Street and south side of Blondo Street
- Grading on the south side of Blondo Street and on 132nd north and south of Blondo
- Paving the remainder of 132nd Street and Blondo Street
- Building modular block walls at various locations
- Storm Sewers for 132nd and Blondo Street segments
- Sidewalk, trails, landscaping, permanent fence

Blondo Street Construction Zone Open

East and West 123rd – 132nd

Blondo Street is open to two-way traffic east and west. 132nd Street is open north and south to two-way traffic. The speed limit is **35 MPH** through the construction zone. Please be aware that east bound Blondo Street traffic shifts to two lanes at 123rd Street intersection. The 132nd Street intersection is a 4-way stop as is 132nd & Erskine Street and 132nd & Seward Street. Please be patient and drive carefully through the construction zone.

Hawkins Construction plans to resume construction in April. Hawkins will complete 132nd Street and then pave the remainder of Blondo Street. The project will be completed later this year and will include landscaping, sidewalks, trail, modular walls, and permanent fences.
